

You Raise Me Up

The Falkirk Wheel is a rotating boat lift in central Scotland, connecting the Forth and Clyde Canal with the Union Canal. It reconnects the two canals for the first time since the 1930s. The difference in level between the two canals is 24m the height of an eight storey building. It opened in 2002 as part of the Millennium Link project.

Father God You raise me up, so I can stand on mountains
 You raise me up, to walk on stormy seas
 I am strong, when I am on your shoulders
 You raise me up to more than I can be
